

Football Day Camp

Hello Parents/Guardian/Student-Athlete,

We will have day camp for football team starting on August 8th through 12th from 6:00pm until 8:00pm. It is required for players to come to football practices during that time span. Players will go through strength & conditioning drills and work on football fundamentals.

Players will not stay in cottages and the cafeteria will not be open during that time.

Completed physical evaluation form and proof of medical coverage is required prior to participating in football practices. No exceptions will be granted. You can find these forms on csdrathletics.com website.

Please bring extra clothes for practices. Football players will need to bring their own cleats.
